Reg Booth Announces Arena Open

KIDS WAITED PATIENTLY - WHILE ARENA BOGGED DOWN!

While the Senior Citizens at Hyland Crest enjoyed the luxury living of a modern Hotel, with entertainment galore; while the adults enjoyed boisterous games of curling, while Mom and Dad sang Auld Lang Syne at some fancy lodge with all the trimmings and booze to bring in the New Year — the youth of Minden hung around the corners with skates over their shoulders and no place to go. This was the gloomy picture hanging over this quiet little town in the midst of the Highlands during the dying days of 1970 and the bright young hours of 1971.

Throughout the Christmas holidays the arena was never opened, because of heavy snow on the roof, even though the ice was ready. Reeve Charles Brandon made the decision in the best interest of the skaters to leave the arena closed until the snow could be removed.

On request from the Minden Minor Hockey Association and the Minden Figure Skating Club, at a hearing on Monday, January 4th, with council, Mr. Andrew Wong a qualified engineer was brought in to inspect the

structure.

On Tuesday the inspection was made and Reg Booth, Chairman of the Arena Board told the Progress that the inspection had been completed and the arena was found suitable for public use, and had therefore been opened. Mr. Booth would not elaborate on the report, but said a written report will be available at an early date, and made public to the ratepayers.

BRIEFS PRESENTED —

Some 75 people attended the Inaugural meeting of Council on Monday, January 4th., in support of the briefs presented to council by the Minden Minor Hockey Association and the Minden Figure Skating Club.

Mr. Norman Harrison Jr. presented a well prepared brief on behalf of the Hockey Association, in which the first portion had three recommendations, which read as follows:

"It is our intent to ask this council to consider this brief and pass the following motions:

1. That because of the arenas present condition, the inconvenience of renting other arenas and being only a matter of time until it must be replaced that

the said arena be replaced with a new structure containing an artificial ice surface and that this building commence construction in 1971 in conjunction with and be part of the new community centre.

2. That the council retain a qualified firm of consulting engineers to inspect the existing arena and the results of their report be made available to us, by January 18th., 1971.

3. That the existing arena be inspected by the Fire Marshalls Office and the Haliburton Health Unit and their reports be made available to us and the public.

The council, the Minden Figure Skating Club, the Minor Hockey are responsible for the safety of some 300 children in our area. The arena was last inspected in 1961 and 1963. The reports, at that time, did not give it a clean bill of health. Deep frosts and heavy snows during the past several years may have weakened the structure and shifted the footings. We feel because of the above reasons that our requests for these inspections are reasonable and important to the safety of our children.

We wish the council to know that it is not our intention to embarrass them nor the present caretakers who are doing an excellent job in cleaning up. But it is our contention that past councils have known of these conditions and have talked about building a new arena for nine years and we still don't have one nor plans for one. Many people have pledged monies toward a new arena and they will honour them when council says go. The raising of \$100,000.00 is possible with grants and public support — the balance over twenty years would amount to a carton of cigarettes a year or a bottle of liquor."

The rest of this interesting brief will be printed next week.

After Mr. Harrison's brief was presented Mrs. Pat Campbell presented her brief on behalf of the Figure Skating Club, which held many strong points why Minden is desperately in need

of a new arena.

Following the briefs, all members of council said a few words, voicing their views.

Reeve Charles Brandon, suggested to the gathering that the front portion of the building be erected this year and the arena portion with artificial ice be built in two years time. Although the Reeve was all in favour of a new arena, he was concerned at the cost and didn't feel a new arena could be built this year. He showed great concern for the summer residents, and felt that the present building could be used for some time.

Mr. Roy Windover brought up the subject of sewers and explained the high costs of these to the taxpayers. "Add to this cost," he said, "it is my feeling that it would be more than many of the taxpayers could bear." He stated however he was in favour of a new arena, and felt the need was great for one.

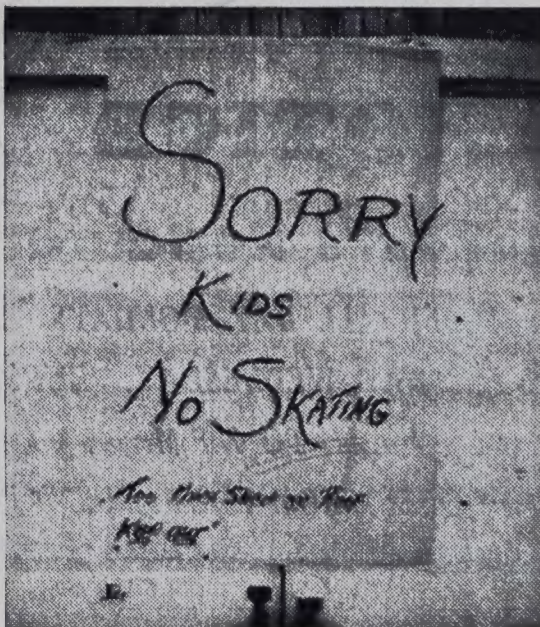

Mr. Robert Gorrie said, "I would feel dishonest in building a new arena at this time, after the vote for one was turned down just 18 months ago." He went on to say that if the in-

terested people in the room would raise money towards one, that at a little later date, it would be feasible.

Mr. Reg Both told the gathering that he has had a very difficult time over the years getting enough money from this council to pay the expenses of the present arena, and wondered how the many costs of maintaining a new building would be met. "However", he said, "I am in favour of an arena and feel we should start now to build a new one which is completed all in one stage."

A great deal of discussion followed, with many on the floor expressing their views. Mr. Robert Beene, Reeve of Lutterworth, finally pin-pointed a question to Reeve Charles Brandon, stating that if \$22,000 could be raised by the interested group in the room, bringing the total on hand to \$65,000 would council consider going ahead immediately with plans for a new arena. Reeve Brandon answered with a positive yes, and council backed this suggestion whole-heartily. The meeting came to an end after some three and a half hours.

Management and Staff

HERE AND THERE

with Fenwick Finch

The Festive Season has come and gone. And, a good one it was. I often thought it is too bad the feeling of good-fellowship that exists during this season doesn't carry on through out the following year. Everybody is so good, kind and pleasant it's a wonderful feeling. It only takes about a week or ten days until we all get back to being the miserable humans we can be — it's too bad — life is so short, we should make better use of it.

This time of year New Year's Resolutions are common — most of them are never kept, but, at least people make them. I never do, I couldn't keep them anyway and I'm too lazy to waste time on something I can't follow up. This last year especially I am more convinced than ever that the Biblical exhortation is the best — from the New Testament, Matthew, "Take therefore no thought for the morrow; for the morrow shall take thought for the things of itself. Sufficient unto the day is the evil thereof."

And, so it is — I can only live except one day at a time, and, that ain't such a bad way to go at that.

I had planned to do a little article on "Radiesthesia" this week with my good friend "Cec." Yearwood as the expert — so many other things crowded in that I'll have to pass it up until next week — it's quite interesting, and almost unbelievable — in fact the whole subject has been under debate for almost a thousand years.

The end of this month is the Annual Carnival — despite a lot of adverse criticism levelled at the arena through radio, press and TV, I have it on good authority the arena will be in full use during the carnival. We all know the Carnival Committee wouldn't risk one life — this Carnival has enough trouble to keep going without whispering campaigns against the safety of the arena — let's all help, not knock.

There is a very nice letter from the Sanderson Family, Joyce, Sandy, Dave, Pete and Mike, in another section of the paper. They have been residents summer-wise for the past 5 years and they seem to like it. Thanks for writing me and I'm looking forward to meeting you.

If there is one thing I'm an authority on it's Doctors, and I've yet to find one I didn't like — they are human like other people and they have their own personalities which sometimes show through.

This brings me to the good Dr. Palmer, associated with Dr. Koval, who, I hear is leaving us for greener pastures. This seems to me to be too bad and a serious loss — I don't know the reasons behind his leaving, nor is it any of my business, but, he'll be missed — I found him kind, sympathetic and a dedicated man, and, the kids love him.

This is no reflection on Dr. Koval who, in my estimation, rates very high but, surely we need Doctors like Dr. Palmer who seem, not only to fit into our community, but who seeks to enjoy working here. It's an old bromide but "our loss is going to be some else's gain."

I have bags more stuff, but, I'm out of space — so, I hope you enjoy 1971, drive carefully, both in your cars and especially on your snowmobiles. 100 deaths last year is a high price to pay for fun and games.

The best of everything to you — see you next week.

LETTER TO THE EDITOR

39 Cowley Ave.,
Islington 677, Ont.
December 22, 1970

Dear Fenwick:

Just a word of thanks to you at this time of the year, for all the pleasure we have received from your column in the Minden Progress. We look forward to the laughs and the many different topics you have discussed. We are happy that you have recovered well and hope that you will eventually be back to your original vitality and humour.

We have been coming to Haliburton for over 25 years (my husband was in the Navy) when I started coming. We live up the Bobcaygeon Road south, of Brady's Lake. We are ardent conservationists of Wild Life both animal and birdlife, thus are not too popular with hunters who sometimes like to hunt the very Wildlife that we have encouraged (on our land).

Many times I have promised to sit down and write you but we lead a busy life, for one thing we are Curlers and hope sometime we will make it to your Bonspiel at the time of the Minden Carnival. This year, we are Chairman of the Mixed Curling at St. George's Golf and Country Club in Islington, which keeps us busy. We have three boys, one at the University of Western Ontario in London, one in High School and one in Grade V.

I have a couple of little jokes for you as you mention sometimes in your column, you are short of material.

Did you hear about the man that was crossing the border and the Customs Officer asked him if he had any Phonographic Literature to declare?

"Why, no Officer, I don't even own a Phornograph".

The Archeological Student at University who became so keen in his studies it just got to him and he came home from school and said to his Mother. "It's got to me, I simply have to dig, dig, dig, somewhere. He pestered his Mother so, she finally said "Go down to the basement and dig" which he did. He dug and dug and dug and finally one day he struck a cement wall. Wild with excitement, he started hammering away at the wall and when he finally broke through, what should he see but a beautifully furnished room and a man sitting down playing a piano. Well, the student was awed, and said to the man, "and what is your name?". "Beethoven", came the reply. "And what in the world are you doing here?" asked the student. "De-composing", answered the man.

We wish you Good Health. Happy Times, Prosperity and Contentment in 1971, and hope we will have the pleasure of meeting you in person.

HUSKIES LOSE FIRST GAME WIN 2 MORE ON WEEKEND

The Haliburton Huskies who were undefeated after their first 11 games lost their first on in Schomberg to the Cougars who outlasted the Huskies attack to hang on to a 5 to 3 win. The Huskies who now have another last year player in Derrell Stamp who has been in Sarnia playing Junior B for the fall, appear to have a stranglehold on first place. The addition of Stamp will certainly give the Huskies a very strong and well-balanced club. Over the weekend the Huskies continued to win over their arch rivals the Bobcaygeon Ti-Cats to the tune of an 8 to 2 score. On Sunday the Huskies travelled to Bancroft and won a very close 6 to 5 game. The record for the season so far and the halfway mark in the schedule, is 13 wins and 1 loss, for 26 points. Lakefield is approximately 6 points behind with Cannington, Bancroft and Schomberg tied for 3rd with 18 points.

Craig Stamp and Phillips from Fenelon are battling for the scoring leadership with Craig collecting 9 points in the last 3 games for a total of 41 and the league leadership. Lewis Dummitt is still the leading goalie in the league with a very good 3.07 average. The Lakefield goalie is next with an av-

KINSMEN MARATHON DRAW WINNERS

The Minden Kinsmen Club have announced the following as winners of last month's Marathon Draw: Delima Moore of 335 Peter St., Orillia, winner of \$100. Bob Beeney, Minden \$50. Brian Hucal, Haliburton \$50.

erage close to 4.00.

The Huskies face a lot of games in January, with a game in Keswick Thursday night. The Fenelon Falls Flyers are in Haliburton on Saturday night and then the Huskies will have to battle Lakefield in Lakefield on Sunday night. If they can win those 3 games, first place will pretty well be wrapped up.

The crowds over the Christmas season have been very good with more and more people realizing what good entertainment Junior hockey can be. Both home games drew over 500 people. The remainder of the games are very important to the Huskies as they try to reach their peak at the playoff time. So far the injuries have been at a minimum, but it is impossible to say when their could be an outbreak, which could certainly change the complexion of the standings. Be sure to attend next Saturdays game, when the rough and ready Fenelon Falls Flyers invade the Highlands.

A SAD SITUATION

It was only a matter of time, when the old obsolete Minden arena would have a "closed" sign hanging on the door. Unfortunately it had to happen during the Christmas Holidays, when every

kid in the area was toting new skates and figured on getting plenty of skating and hockey in during their vacation.

The managers of the arena, Mr. and Mrs. Richard Hope have done a great job this year in the arena, and the ice was in perfect condition on Christmas Eve, with plans of opening the arena for public use on Boxing day. Reeve Charles Brandon made the decision to keep the arena closed, when he felt it had too much snow on the roof, making it unsafe for use — he was right in doing so, for the old structure had some 15 to 20 inches on it. According to engineers reports made in 1962 the building was not to be used, and was considered unsafe when the roof held any amount of snow.

At the present the snow has been removed and the arena commission are waiting for the report of engineers before re-opening the arena. It is hoped that a good report is received so that hockey, figure skating and the Winter Carnival can continue with their plans.

Until a good report is received the Minden Figure Skating Club and the Minden Minor Hockey Association have been trying desperately to book their schedules into the Haliburton, Kinmount and Fenelon Falls arenas. This is quite a job to say the least — in fact almost impossible. For the few who look after all these children, some 200, it has meant a great deal of expense, which there is no subsidy — only a few are paying and carrying the load.

This sad situation has meant poor publicity for the town of Minden, and will no doubt have some effect on the up-and-coming Winter Carnival. But there is no more room under the carpet for the poor facilities we have here in the way of an arena. Here we have a structure that the recreation hall can not be used for dances; here we have a roof that can not carry any amount of snow; and, here we have an arena with natural ice, the only one of its kind for a town of this size in Ontario. This recent crisis hasn't brought bad publicity — Minden hasn't been able to shout about its arena facilities for the last ten years. Every time we stage the Winter Carnival, skating event, hockey game, in which we bring visitors into our present arena, we are embarrassed, and laughed at — is this not bad publicity, especially when events are being staged in a pool of water!

This present arena IS bad publicity for Minden — how long can we afford it? It will only be when we get new facilities that we will be able to stand along side of such places as Oakwood, Little Britain, Sunderland, Woodville, Keene, yes even Wilberforce, places are all much smaller than Minden, but have plenty to boast about with their modern facilities.

Trudeau's 1971 wish is a fulfilling life for every child — we have everything here in Minden for the adults, and absolutely nothing for the children. It is something for us to think about, isn't it?

LETTERS TO THE EDITOR

January 5th, 1971
Minden, Ont.

Dear Sir:

I am always interested in the letters published in your Minden Progress, and especially the ones discussing our timber wolf problem. I feel that the letter in your last issue, written by Miss Ruth McGill proves that her information regarding the balance of nature is not too reliable.

She is correct on one point — the wolf is a better hunter than man. What is more, the wolves hunt twenty-four hours a day for three hundred and sixty five days of the year. Wolves can scent a deer for a long distance, quietly surround it, and when the deer finally sees, or hears one of the wolves, and turns to run, he is faced by another wolf right there ready to grab him. Their blood-curdling howls really terrify the deer.

Do not let anyone tell you Miss McGill, that wolves kill only the old, or infirm deer, and kill only what they need for food. It could be a toothless, old buck, or a young doe, in the final month of her first pregnancy, likely carrying spotted twin fawns. Wolves are not always

hungry. It is just natural for them to kill, and believe me, the grey timber wolf is a cruel killer. One wolf can kill a deer. When the snow is deep with a hard sharp crust that will carry the wolf, but not the deer, wolves will travel together from one deer yard to another, killing every deer they see, and eat only what they want of the meat, leaving the rest.

Wolves kill deer just for fun, as cats kill mice, which I admit is quite natural.

I have been a hunter, and outdoorsman most of my life. Shot my first deer in November 1917. I do not write as well as Miss McGill, but what I write is from personal observation, and not what I read, or have been told. I am glad to see the wolf bounty raised.

Thank you, Mr. Editor, for this space in your paper.

Morgan Prentice

509 Rosewell Ave.,
Toronto 310

Dear Editor:

After reading your very informative editorial directed at the Snowmobilers of the county, it occurred to me that you might

include one more rule. It is easy to comply with and doesn't cost a cent.

The rule — Respect for posted Private Property.

I have no wish to sound like a "crank", but surely with the vast expanses of the county at his disposal the snowmobiler could manage to stay off private property — in my case, The Blairhampton Golf Club. I know the early spring golfers would appreciate it also.

Many thanks and Happy New Year!

Yours truly,

Dave Shuyler

TENDERS ARE CALLED

Mr. Glen Hodgson M.P.P. announced the Calling of Tenders for Contract 70-229 for the construction of 6.1 mile of Highway 35 starting at 1 mile south of Carnarvon and connecting with the finished portion at Hall's Lake. This will include 2 bridge structure, one over the Beech River and at the Hall's Lake Dam Bridge.

SIR SANDFORD FLEMING COLLEGE PRESENTS

The Growth and Development of the Pre-School Child and Adolescent

A Workshop for parents to study personality growth and development of the pre-school age child through to adolescence.

The course is designed to give an outline of the normal patterns of development of children and young persons. It will also consider the difficulties which may occur in the course of the individual's development in relation to his family and the methods by which this may be handled.

The Instructor: Mr. Stephen Jackson, M.S.W., lectures in this subject area in the Day Division of the College.

The series of ten lectures and discussions in this Workshop will commence Wednesday, January 20, 1971, 7:30 to 9:30 p.m., at the Haliburton School of Fine Arts, in Haliburton.

FEE: \$15.00, or \$25.00 for both parents

(Note: Cheques may be post dated to January 18)

REGISTRATION: Registration for Minden residents may be made by contacting Mr. Ted Campbell at the Chamber of Commerce Office in Minden, Telephone 286-1760.

Haliburton residents may register by contacting Mrs. Alice Duggan at the Haliburton School, Telephone 457-1680.

Kinsmen Early-Bird Racing Results

Saturday morning got off with a roar as the kids took over the Minden snowmobile track at the start of the Kinsmen Early-Bird Snowmobile races. Boys and girls from Minden, Bobcaygeon, Orillia, Gravenhurst, and Apsley gathered together to test their skills and their machines on our challenging one mile track.

After dinner some of the morning racers were joined by others, one from as far away as North Ridge, California, USA. The races got underway at one o'clock and the spectators were treated to an exciting afternoon of wide open racing and spills. One driver lost control of his machine on the back hill and crashed into a couple of spruce trees. He managed to get his machine back on the track and finished third.

On Sunday afternoon the Bombadier team, arrived along with the Webb racing team from

Huntsville and a team of Polaris drivers from Bolton, Ontario.

The larger machines added many more thrills to the day as they were too powerful for the track and flew over many of the hills and bumps. Minden's Paul Prentice of the Bombadier team lost control of his machine in the second race and rolled it in front of the grandstand. Although he managed to get his Ski-Doo going again he was plagued with problems and was unable to compete fully for the rest of the afternoon. One of the Rupp drivers rolled his machine in a spectacular end over end tumble on the back stretch which knocked his machine out of commission for the rest of the afternoon.

The Kinsmen Club of Minden would like to thank the following businessmen who donated prizes for the races: Austins Esso Service, Minden Tire, (Deacon's), Deanwood Esso Service, Walker's Texaco, J. O. Jackson Ltd., Sid Stamp Fuels, Highland Automotive Supply, Haliburton Marina, Wright's Marina, Prentice Roads, McKnight's Haulage, Keith Johnson, Pritchard's Electric, Stanhope Sales, and Minden Bowl.

The "Green Hornet" wishes to announce to all his friends and "well-wishers" that the "Hornetmobile" is now undergoing a ring and valve job to add more power to his speedy craft. He is positive that he will leave the "Red Baron" behind blinded by a cloud of snow when "Snoopy" and the "Green Hornet" meet that arch-villain "The Red Baron" at the Minden Winter Carnival Frolics.

The results of the weekend are as follows: Saturday afternoon: 250cc — Bob Trotter, Apsley; Bev Prentice Minden; Kim Hewitt, Minden.

251 - 295cc — Bill Fulbertson, Port Sydney; Bob Trotter, Apsley; Buck Nesbitt, Bobcaygeon. 296 - 345cc — Bill Fulbertson, Webb Racing Team; Bob Trotter, Apsley; Buck Nesbitt, Bobcaygeon.

346 - 400cc — 1st Heat Leonard Lock, Dorset; Bob Trotter, Apsley. 2nd Heat Phil Clayton, Huntsville; Marshal Reive, Lefroy. Finals Marshall Reive, Lefroy; Kim Hewitt, Minden; Phil Clayton, Huntsville.

Open Stock — Bill Fulbertson, Webb Racing Team; Marshall Reive, Lefroy; Leroy Nesbitt, Minden.

Saturday Morning Results: 0 - 295cc Bob Trotter, Apsley; Buck Nesbitt, Bobcaygeon; Terry Harrison, Minden.

296 - 345cc — Buck Nesbitt, Bobcaygeon; Bev. Prentice, Minden; Terry Harrison, Minden.

346 - 400cc — Terry Harrison, Minden; Bob Trotter, Apsley;

(Continued on Page 8)

MINDEN MINOR HOCKEY NEWS

In a Mite tournament played in Woodville on Saturday, December 26th Brandon's Mites of Minden won the Consolation Trophy. The victory was the first trophy that Minden has won this year. Rookie coach Larry Kent did a good job with his team in this tournament and has his young club improving each time out.

The Mites lost their first game to Beaverton 4 to 2, but went on to defeat Sunderland 5 to 4 and Cannington 7 to 1 in capturing the trophy. The scoring was split up among three players in these three games — Corey Walker was the big gun scoring 8 goals, Mark Greir scored 3 and Leslie Booth notched 2.

In Novice action the Progress Newbies played in a tournament in Little Britain on Saturday, January 2nd. The locals won their first game 4 to 3 over a well balanced Newcastle team. After regulation play the two clubs were tied 2 to 2 and required a shoot-off to decide the winner. Paul McKenzie and Tom Palmer scored in regulation play while Tom Gough and Jim Hatkoski scored in the shoot-off.

The locals then went on to play Beaverton in the second game and were defeated 4 to 0. Mike Bird playing in the nets for Minden was outstanding and earned the raves of the spectators watching the tournament.

In League play on Sunday afternoon, Minden Novice won a close 3 to 2 decision over Sunderland. The home game for Minden was played in Kinmount. Paul McKenzie was the sharp-shooter of the day with 2 goals, while Tom Gough, playing one of his better games picked up the winner.

In Pee Wee play the locals took it on the chin 8 to 1 against Fenelon Falls Monday night of this week in the southern town. Jeff Carpenter scored the lone Minden goal.

Novice 'B' did not play over the holidays but have a home game, which will be played in Bobcaygeon, against Bobcaygeon on Saturday at 6 p.m.

In Midget play the locals dropped two games, one to Fenelon Falls 5 to 4 and the other to Bobcaygeon 12 to 4. The first game was played on December 28th., Bill Leary picked up two goals, while singles went to Lee Bull and Wayne Harrison. In the second game played on January 1st., Bill Leary, Bob Arbuthnot, Wayne Harrison and Bill Jackson were the scorers.

CHRISTMAS AT HYLAND CREST HOME

While most of us were celebrating Christmas in our homes with our own families, the largest family in our County was also celebrating the Holy Season.

Beginning in early December, in the gaily decorated lounges and auditorium at Hyland Crest many of our citizens came to entertain the residents, among them St. George's Junior Choir under their leader, Wm. Gliddon spent an evening singing carols; The C.G.I.T. from Haliburton under Mrs. J. Way presented their Annual Candlelight Vesper Service and the girls Auxiliary from St. George's Church also presented their skit "The Rum-mage Sale" and sang carols.

The children from the Minden Public school came to dance and sing and carollers from several other Churches livened the Home with singing. The Carnarvon Rangers volunteered their services in order to permit the staff to attend their Christmas party.

Santa did yeoman service when he came for the Auxiliary Christmas party to present gifts to each resident and then returned on Christmas morning to distribute still more of his bountiful supply. The Sunshine bags from the Salvation Army added sweetness and joy.

Christmas day was a happy family time when relatives came and joined the dinner party for those unable to go out with their families.

The thanks of the residents at Hyland Crest goes out to the staff who so happily worked to make the Christmas spirit a reality and to all who in any way contributed to the festivities.

You are welcome individually or with your group to visit or entertain. Let the fellowship and Goodwill created during the Christmas Season continue and grow all year. Happy New Year to everyone.

IT PAYS TO ADVERTISE
IN THE PROGRESS

ABOUT THE TOWN

With Jeanne Sears

Holidays are over, now its back to work or school. Many of the University students enjoyed a holiday at their homes in the area.

* * * *

New Years celebrations had many homes having friends or relations in for a happy welcome for 1971. At the Rockcliffe, special guests at their candle-lit party were Mr. and Mrs. Paul O'Brien, Mrs. Rita Carriere, Mrs. Elva Bryson and Mrs. Eileen Sullivan the latter being Janies mother. At midnight everyone received noise makers and had a really blast off for the New Year.

* * * *

We inquired at the Post Office as to stamps sold and from December 1 to 22nd., 40,000 5 cent stamps were sold and 17,500 of the 6 cents. This gives some idea of the mail posted in our office.

* * * *

There were several funerals during the holiday season with sincere sympathy going to the families and friends of the late Mrs. McInerney, Mrs. E. Ransley and Mrs. Lemon.

* * * *

The L.O.B.A. had a very successful card party on Christmas week. Monday was the big night with winners being Sadie Ocluck, Gordon Kellett, Mrs. Lyle and Doug Ackerblade for euchre, lone hand to Mrs. Hamilton on a cut of cards; for cribbage top score was held by Fred Wright. After the games all enjoyed a social half hour and delicious lunch served by the ladies.

* * * *

A happy event was the arrival of a first grandson for Mabel and Basil Hewitt and Louella and Cecil Yearwood and first child for Tanya and Paul Yearwood of Sudbury.

* * * *

The police have finally found the kidnappers of the Pierre La Porte and have a signed confession. We wonder what the trial will bring, now there is no capital punishment except in special cases.

* * * *

Some of our residents are leaving for holidays in the sunny south, Nina and Leslie Prentice left on Thursday for three month vacation we heard.

* * * *

The Churches in the village had Watch Night Services for both Christmas and New Years and had goodly crowds at these.

* * * *

Home for the Christmas holiday with Mr. and Mrs. Vinton Loucks were their sons Dr. and Mrs. Orle Loucks and family from Madison Wisconsin, Dr. and Mrs. Leon Loucks and family from Charlottetown P.E.I. and Foster Loucks M.A. from Midland Ontario.

* * * *

Patients at the local hospital on Monday were Mrs. Winnifred Johnson, James Miles, Joseph Shaw and last week Mrs. Bernice Davis and baby girl.

* * * *

Guests over the weekend with Mr. and Mrs. Wilf LaHay were Ralph V. Scott, Director of Northern Affairs and Mrs. Scott of Toronto.

* * * *

Lots of snow, ice on lots of the roofs in town, the lakes are frozen and the usual fish huts are on many of them. Drive carefully, so you arrive safely.

Cheerio until next week.

MINDEN OPP REPORT

ACCIDENTS OVER

NEW YEARS

Four accidents were reported by Police here over the New Years holiday.

On December 31 at 2:50 p.m. at Luke's Marina near Carnarvon, a truck driven by Robert Edward Luke, 21, of RR2 Minden, was involved in a collision with a car driven by Charles Thomas Boudreau, 40 of this area. Total estimated damages to the vehicles involved totalled \$500. Police Constable Larry Scott investigated.

On January 1, at 12:20 a.m. on Highway 507, a car driven by Robert Andrew Madill, 18, of the Haliburton area was involved in a one car accident. Estimated damages totalled \$400. There were no injuries. Provincial Police Constable W. Clendenning investigated.

On January 1 at 2:15 p.m. near the Highland Crest Home, a car driven by Roy Ernest Windover, 46, of MacKayville, was involved in an accident with a car driven by William Lesley Richman, 85, of Coboconk. There were no injuries. Total estimated damage to the cars was \$450. Provincial Constable M. Legge investigated.

On January 2, at 805 p.m. on Maple Street in Haliburton, total estimated damages of \$700 resulted when cars driven by Donald Roy Wheeler, 26, of Haliburton and Roger Wesley Cooper, 20, of Haliburton collided. No injuries were reported. OPP Constable T. Boyce investigated.

**MINDEN
WINTER
JANUARY 29, 30, 31
CARNIVAL**

One of the main attractions during the Minden Winter Carnival is in the arena on Friday night, when we choose our new Carnival Queen and her two attendants. Any girl may enter from the County of Haliburton, providing she is sixteen or over, and has not won any previous contests as Queen. There is a cash award for the three chosen, also a small gift for each contestant. The Queen is presented with the annual Progress trophy, donated by our genial newspaper editor, Al Greir and a smaller trophy which she may keep.

Arrangements are made for her and a chaperone for a visit to Toronto including free transportation by bus, and accommodations at one of the best hotels. She may go whenever she wishes. There are numerous donations of sports wear and other gifts which will be on display at Cox's Apparel for the lucky girl.

The Committee in charge of this very interesting part of the program have five judges from out of town, who do not know any of the girls. Absolutely no one knows who has been chosen until the announcement on the ice by the Master of ceremonies.

So girls here is an exciting time for one of you. Don't be shy, you could be the winner of all these many lovely things.

For the past several years we have had a Carnival Queen Doll, which is dressed like the Queen, tickets are sold on it and all money given to the Carnival Committee. The doll is dressed and donated by Esther Shaver as her contribution to help make the Carnival a success. Esther has annually donated over \$100.00 to the Carnival Committee for use where they see fit during the Carnival.

Johnnie Bower is rarin to go for the big opening ceremonies on Saturday afternoon and is looking forward to meeting as many hockey fans and young hockey players as possible. He will be around all day Saturday, to take part in many of the events.

THE 1970 FARM TAX REDUCTION PROGRAM

The 1970 Farm Tax Reduction Program is the most recent phase in the Government of Ontario's long-term plan to reform the system of local taxation in this province.

This program will help farm property owners to pay their municipal and education taxes.

Farm property owners will receive \$20,000,000 in special assistance from the Government of Ontario. This amounts to 25 percent of the net municipal taxes on eligible farm property.

To be eligible, the property owner must live in Ontario. Also, if the farm property is less than 11 acres, it must have yielded \$2,000 or more in gross income during the year.

Cheques and information leaflets are being mailed out by the Department of Municipal Affairs to every eligible farm owner.

Additional information may be obtained from:

The Municipal Subsidies Branch

**MAN KILLED NEAR
NORLAND ON SNOWMOBILE**

The first motorized snowmobile fatality happened this winter in our district, which involved a car, at 2:15 p.m. on December 28, on Highway 35, south of Norland.

The motorized snow vehicle was operated by Richard White, 69, of Willowdale, and the car was driven by Frederick Baker, 24 of Pickering.

According to Provincial Police Constable R. A. Bowen of the detachment here investigated the accident, the snow vehicle which was coming out of a field by way of a farmer's road, had stopped on the west side of the highway to discharge two 11 year old girls, because it is believed Mr. White, who apparently was very safety conscious, did not wish to proceed across the highway with the girls on the snow vehicle. After discharging the girls, Mr. White

Safety Is A Family Job

Because of their unique fun appeal, snowmobiles seem to be operated by more family members, children included, than perhaps any recreational product in history.

For this reason the recreation experts at Mercury snowmobiles suggest that, in addition to those rules of a more adult-male nature which are frequently repeated, families learn and always observe some special safety rules . . .

Most important, never, never leave your keys in the switch, especially on an electric start machine. This is an all-too-attractive invitation to children to "see what'll happen" if they turn the key - and the result could be serious injury.

Be certain all family members learn the "feel" of snowmobile braking action, and automatically allow adequate distance for the inherent sliding stop of the machine.

All family members should be coached on how to stop a snowmobile if the throttle should stick - by simply and quickly turning off the ignition key.

If children are allowed to operate the machine, they never should be beyond your sight range - in a large open field.

Never over-exert yourself physically in terms of distance travelled or in emergencies such as trying to pull out a stuck machine. The safe rule, especially for youths and women, is to never travel further than an easy walk back to aid.

And the best rule is to travel together as a family - never alone - for more fun and safety too!

proceeded across the highway, and just about reached the east side of the highway when the vehicle was struck by the car driven by Mr. Baker. Mr. White was pronounced dead at the scene of the accident.

The snow vehicle sustained an estimated \$700. in damages while the car sustained and estimated \$900. in damages.

\$300 DAMAGE IN HALIBURTON ACCIDENT

The OPP detachment here in Minden reported that an accident occurred on December 28 at 10:05 a.m. on the main street in the town of Haliburton.

The pick-up trucks involved in the accident were driven by Donald Keith Walling, 40 of Haliburton and Douglas Percy Broadworth, 35, of Bancroft.

Total estimated damages as a result of the accident were \$300.

There were no injuries. Provincial Police Constable W. F. Devereaux investigated the accident.

CORPORATION OF THE

TOWNSHIP OF LUTTERWORTH

NOTICE

In the matter of the Municipal Act and in the matter of a proposed By-Law of the Municipality of the Township of Lutterworth to stop up, close and sell that portion of the original allowance for road lying between Lot 24, Concession 5 and Lot 25, Concession 4 of the said Township.

Notice is hereby given, pursuant to Section 462 of the Municipal Act and Amendment thereto, that the Township Council of the Municipality of Lutterworth proposes to consider and, if deemed advisable, to pass at its regular meeting to be held at the Council Chamber, south of Minden on Highway 35, in the Township of Lutterworth in the Provisional County of Haliburton, on Wednesday, the 3rd day of February, 1971 at the hour of 7:30 p.m. a By-Law to stop up, close and sell a portion of the road allowance between lot 24, Concession 5, and Lot 25, Concession 4 in the Township of Lutterworth, more particularly described as follows:

ALL AND SINGULAR that certain parcel or tract of land and premises, situate, lying and being in the Township of Lutterworth, in the County of Haliburton, in the Province of Ontario and being composed of part of the Road Allowance between Concessions 4 and 5 for the said township, which said parcel is a strip of land 66.00 feet in perpendicular width lying 33.00 feet on either side of the centre line which said centre line may be more particularly described as follows:

PREMISING that the bearing of the west limit of Lot 24, Concession 6 of the said Township is N20 52'W and relating all bearings used herein thereto:

COMMENCING at a point in the centre line of the road allowance between Concessions 4 and 5 which is 66.00 feet easterly from the high water mark of Moore's Lake said point being distant 6,636.17 feet measured south easterly on a bearing of S14 44'20"E from the north-west corner of lot 24, Concession 6 for the said Township:

THENCE N69 03'10"E along the centre line of the road allowance between Concessions 4 and 5 764.00 feet more or less to a point being 66.00 feet measured westerly from the high water mark of Moore's Lake.

AND TAKE FURTHER NOTICE that before passing the said By-Law at its meeting to be held at the time and place above mentioned, the Township Council of the Municipality of Lutterworth shall then and there hear in person, or by his counsel or agent, any person who claims that his land will be effected by the said By-Law and who applies to be heard.

DATED at Lutterworth this 19th day of December, A.D. 1970.
(Mrs.) E Burke, Township Clerk.
